Buy and sell crypto with us

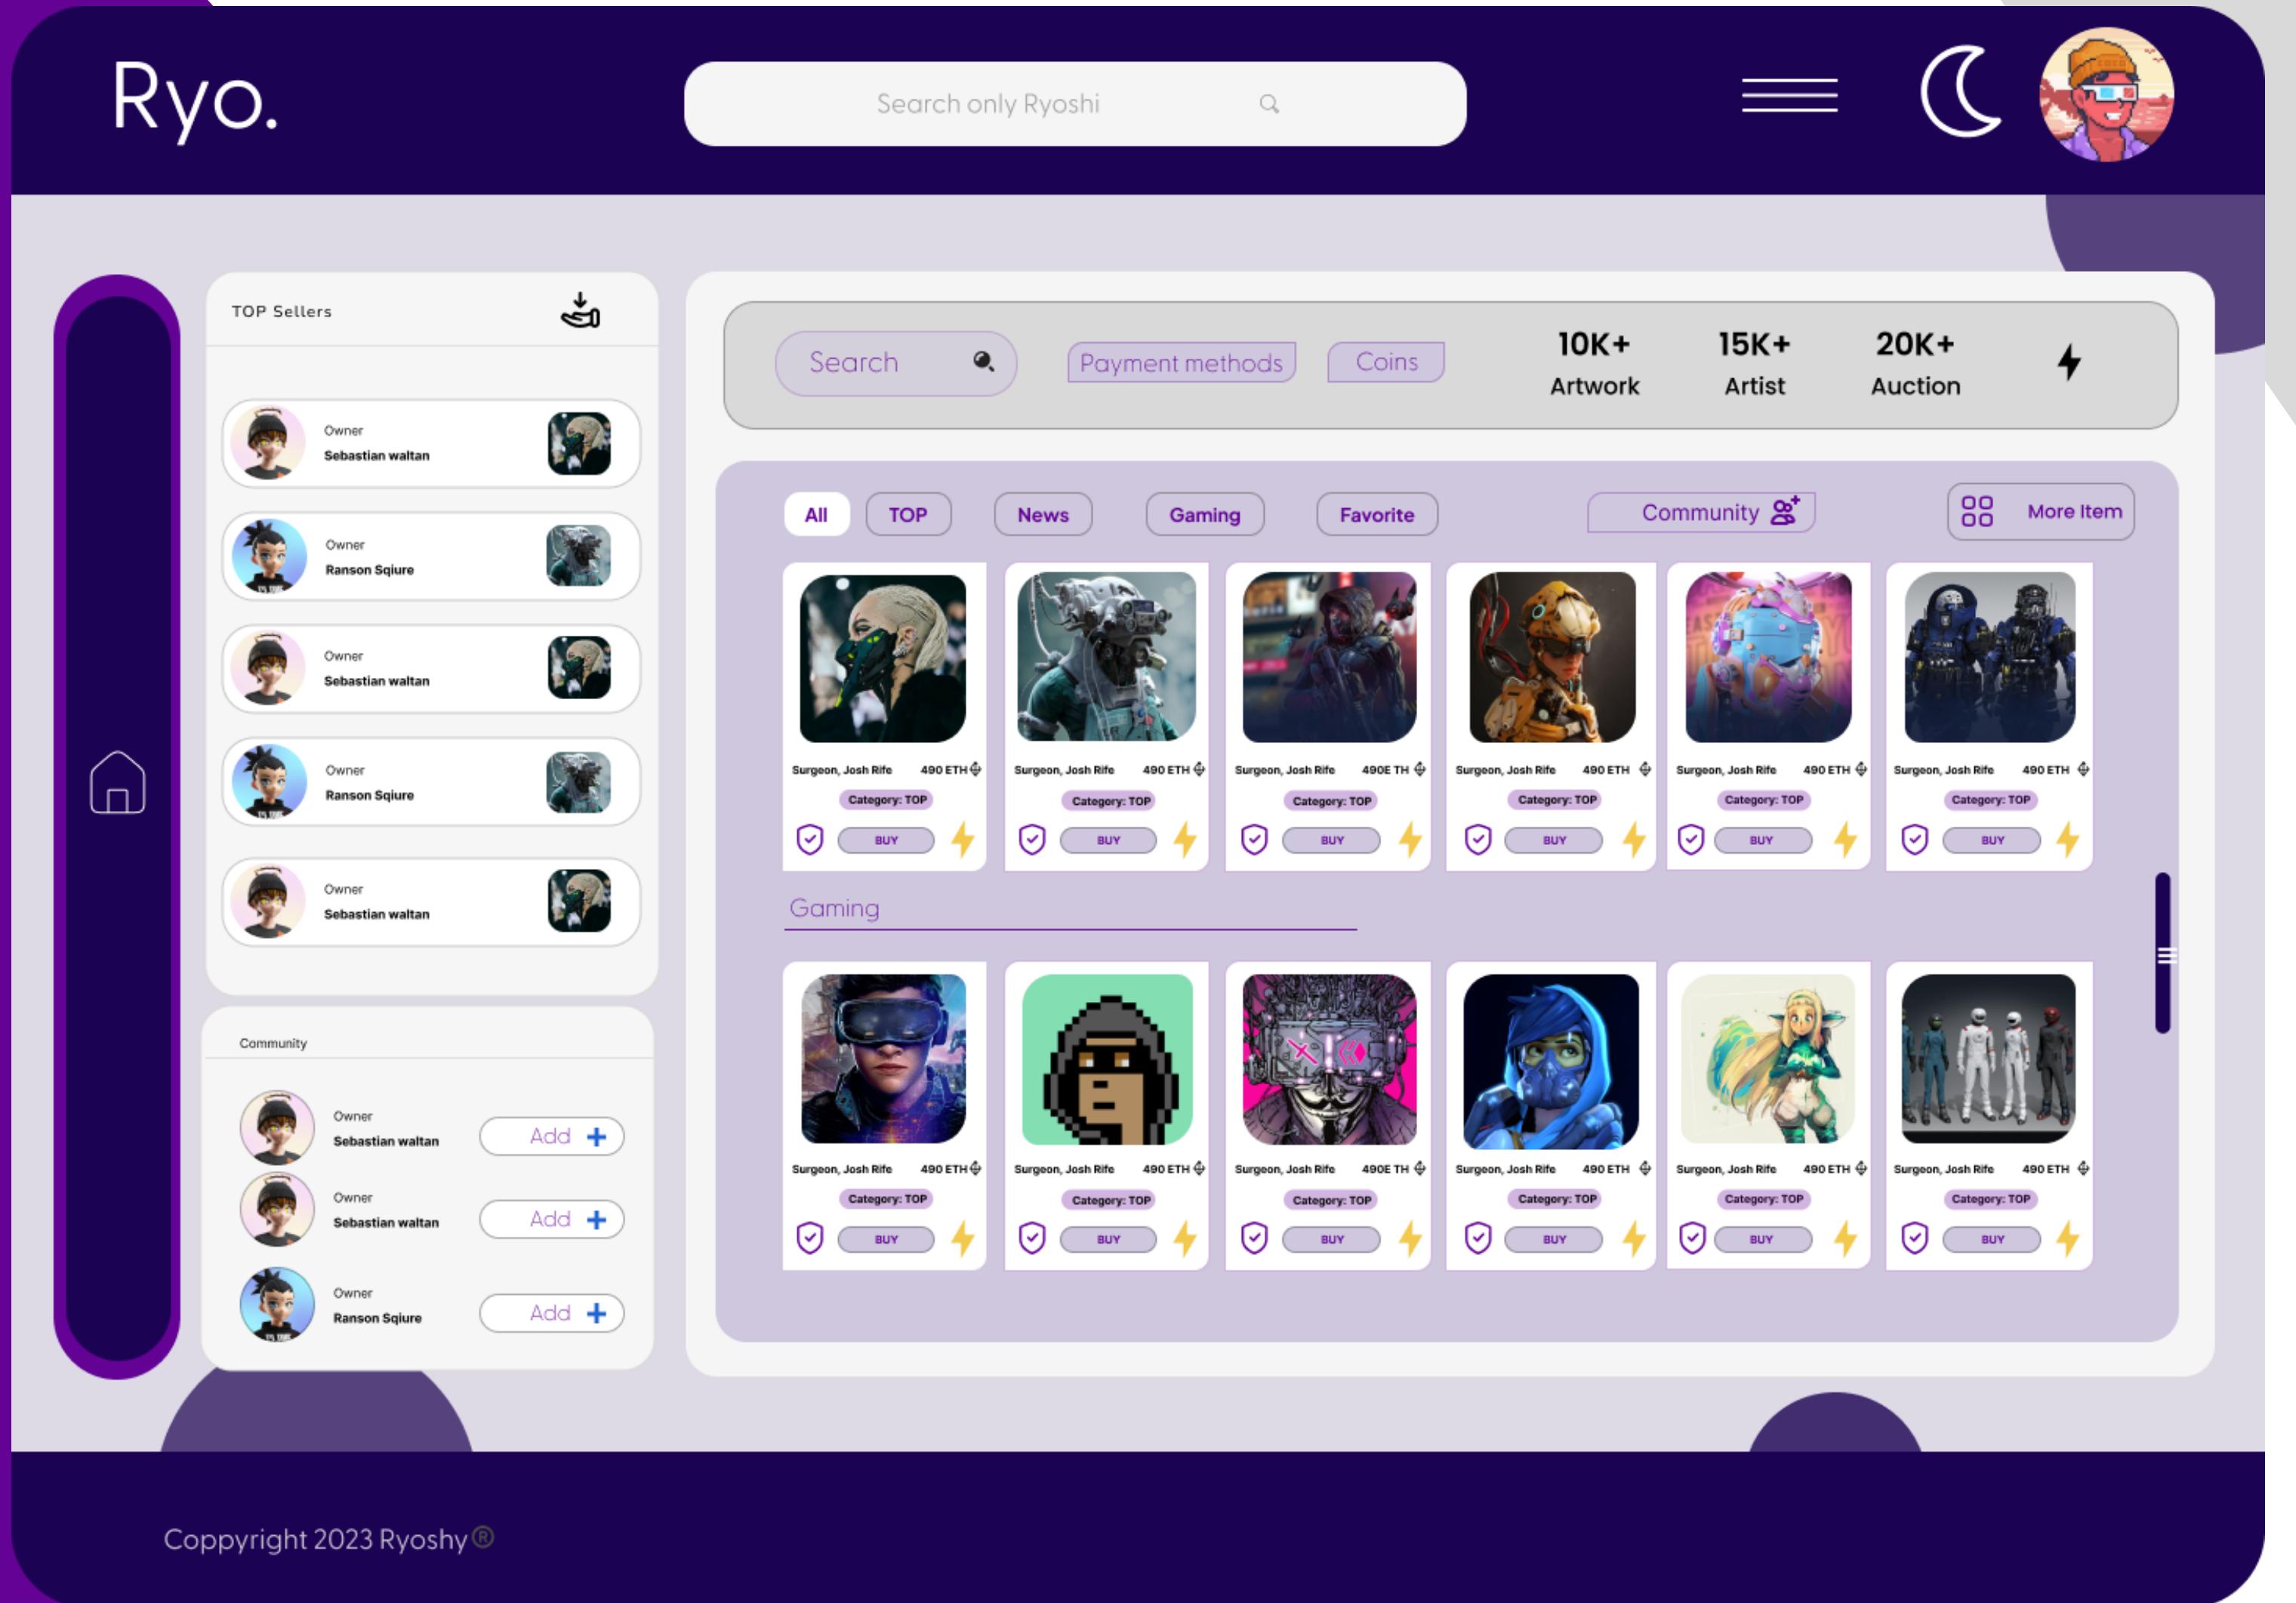

The main interface features a central trading area with a "Buy" and "Sell" button, payment method selection (USDT, Bank, Coins), and a "Trading" tab. To the right is a detailed order form for buying RYO with USDT at a price of 8500.26 USDT. Below this are three sections of available orders from different advertisers:

Advertiser	Prices	Available	Payments Methods	Commission
James	0.504	1200 USDT Limit : 500USDT	WISE	+ BUY ETH
James	0.504	1200 USDT Limit : 500USDT	WISE	+ BUY ETH
James	0.504	1200 USDT Limit : 500USDT	WISE	+ BUY ETH

Ryoshi is a decentralized exchange that enables users to trade various cryptocurrencies, including those linked to fiat currencies, such as stablecoins. Stablecoins are cryptocurrencies designed to maintain a stable value in relation to a fiat currency, such as the US dollar or the euro.

Market NFTs

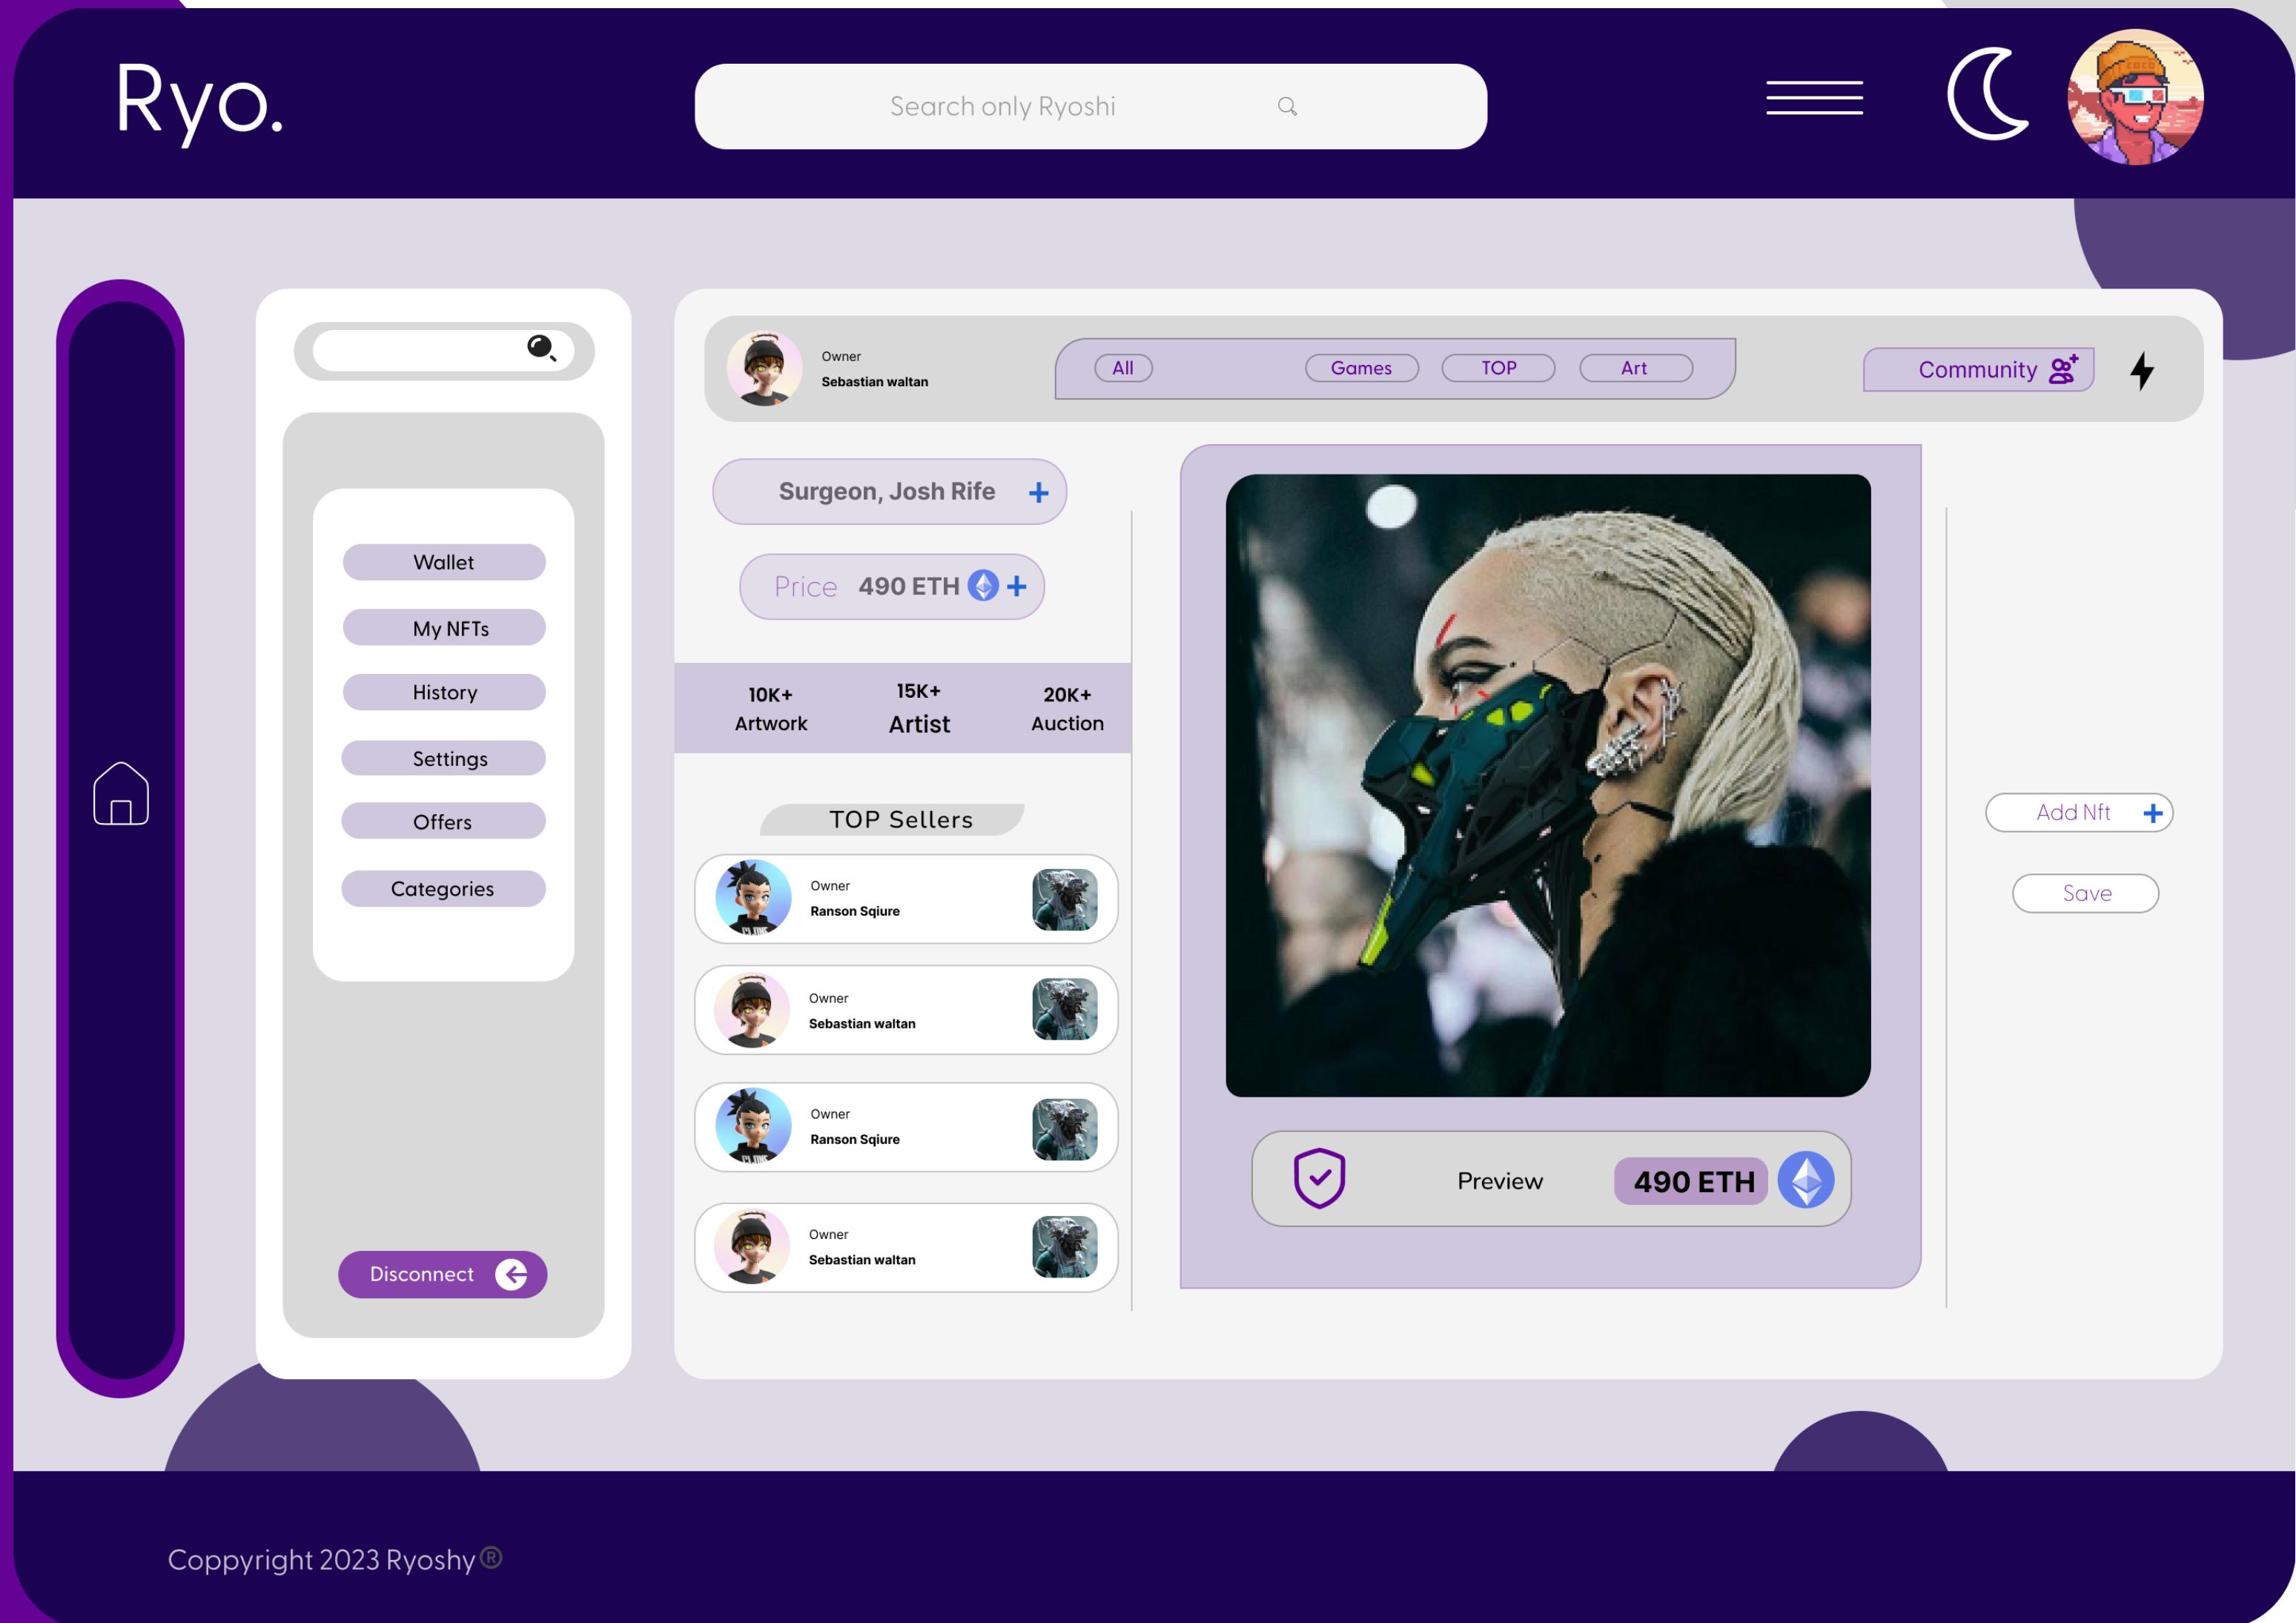

In addition to the features mentioned, Ryoshi's NFT and collectible item marketplace is constantly expanding to offer new and exciting opportunities for users. In addition to the features mentioned, Ryoshi's NFT and collectible item marketplace is constantly expanding to offer new and exciting opportunities for users.

Social Network

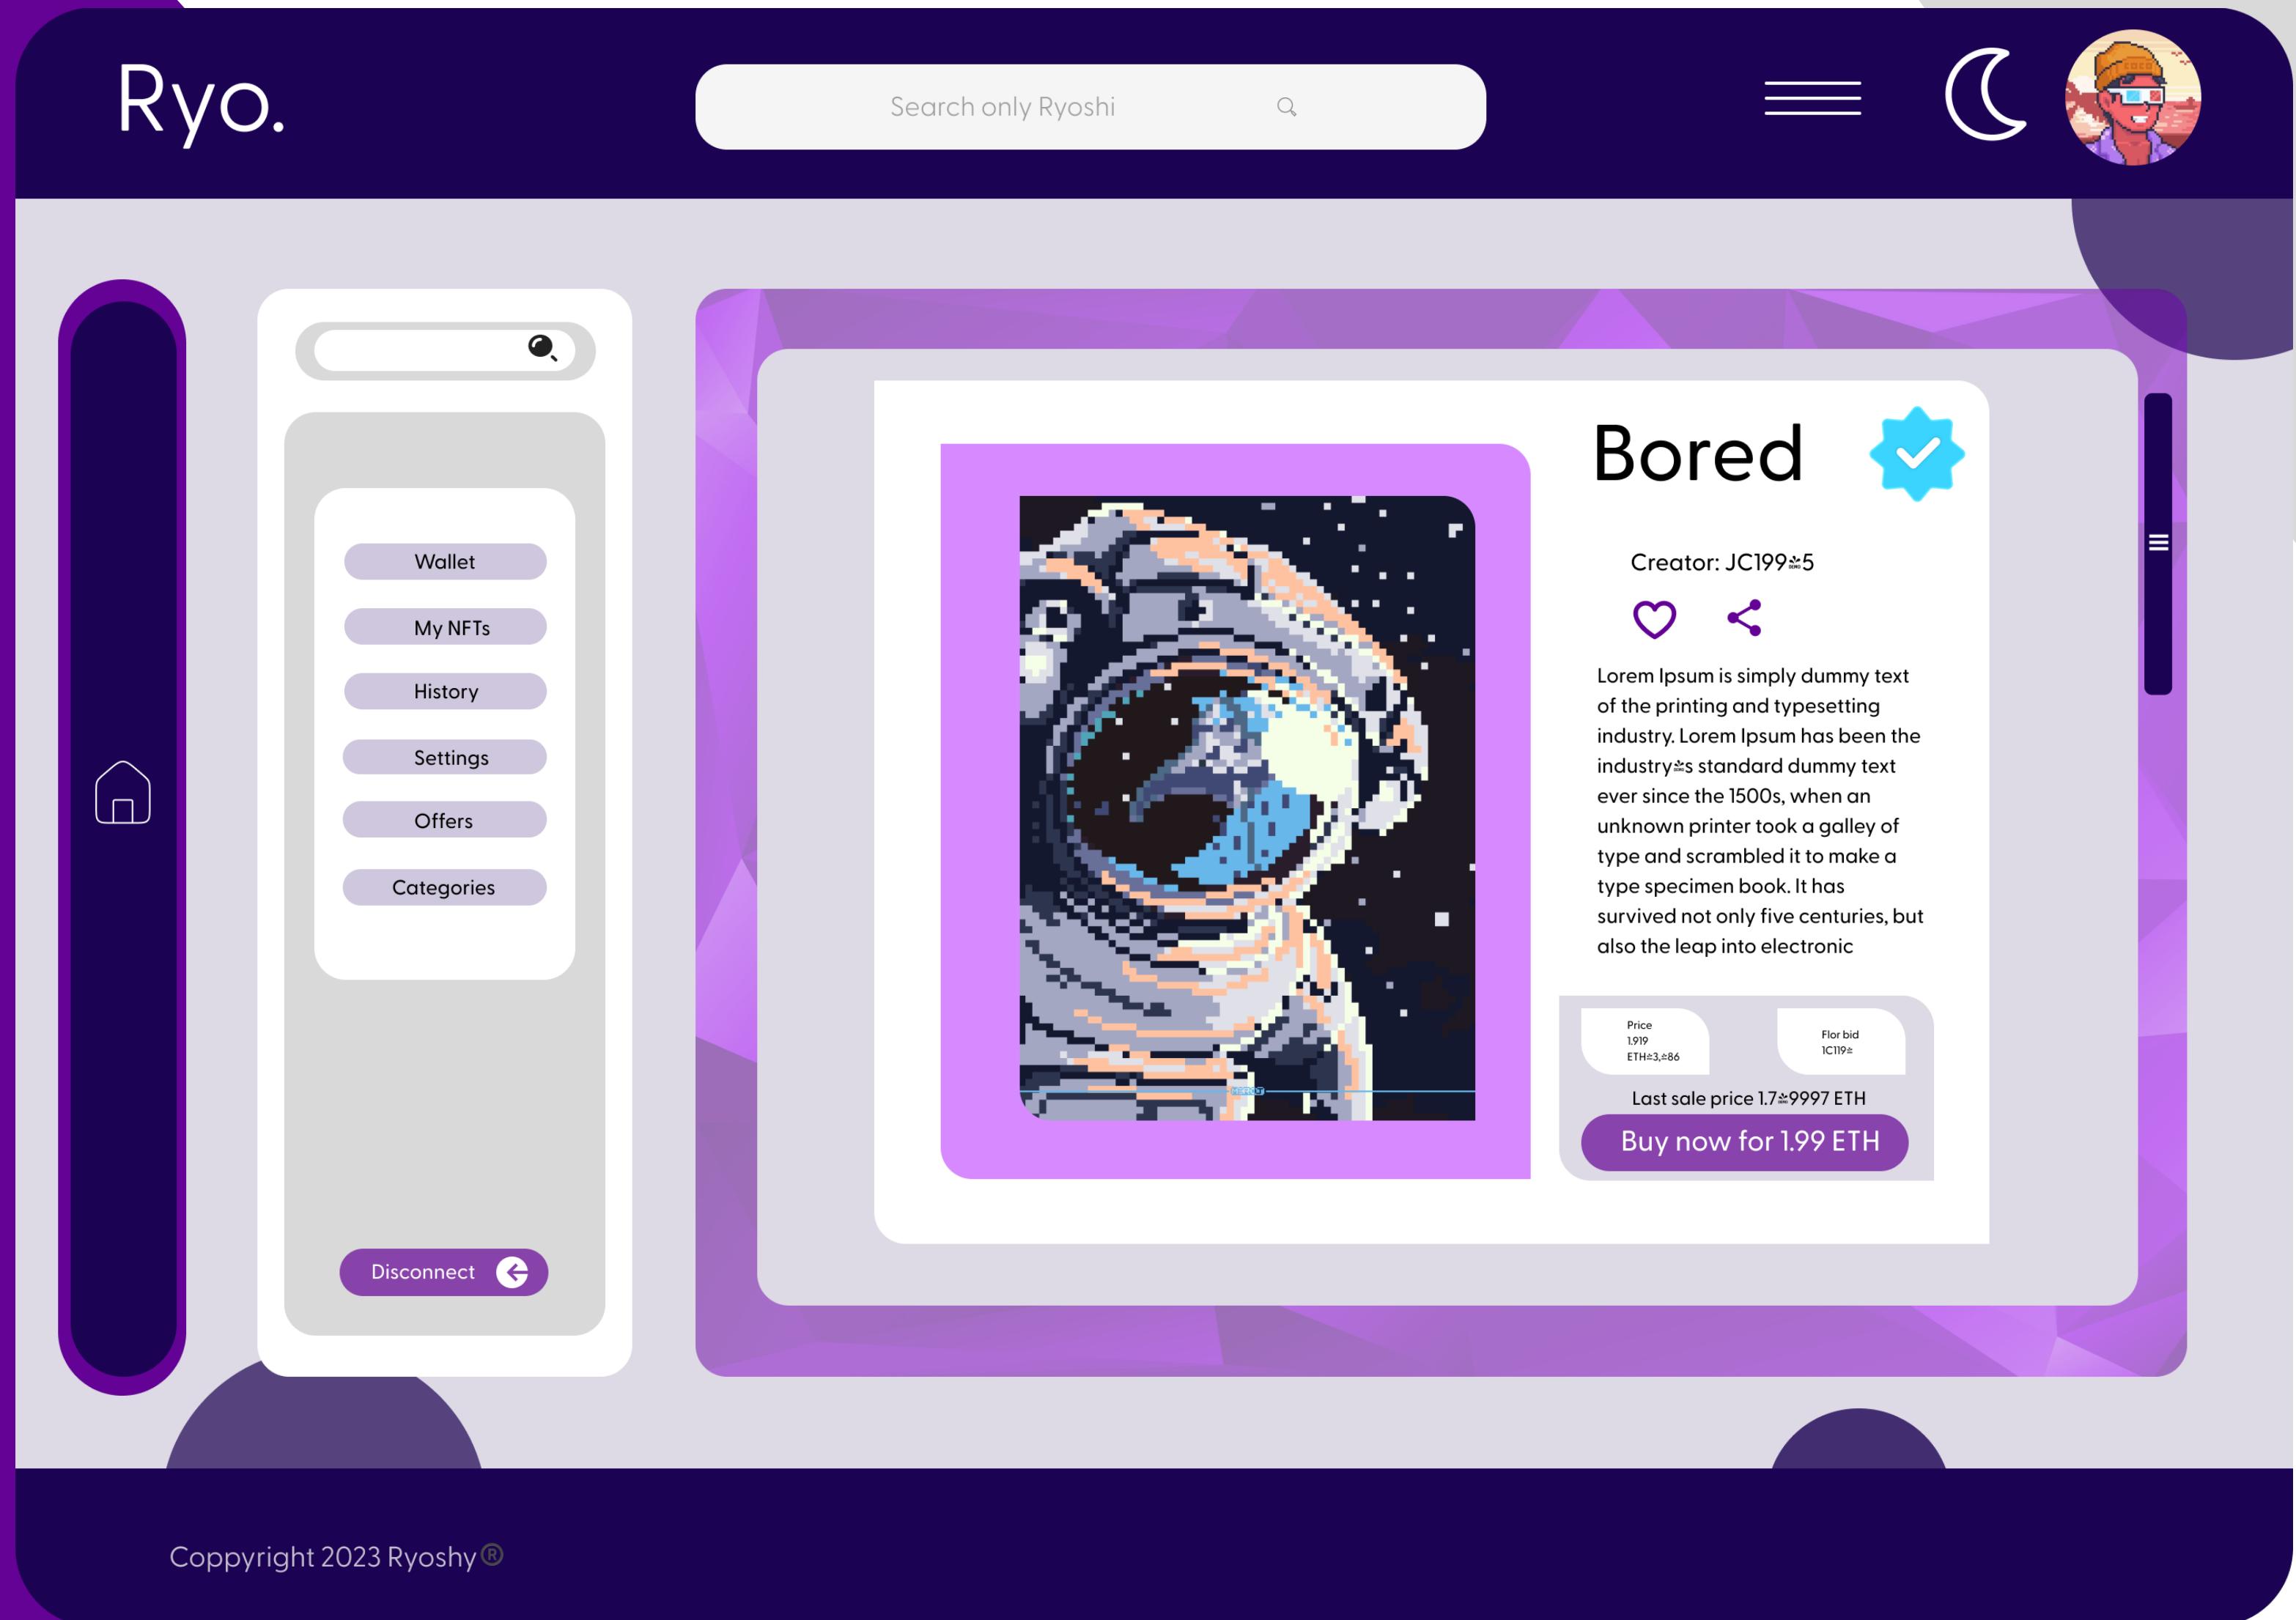

The problem with traditional social media compared to web 3.0 is that traditional social media is based on a centralized model of control

Trading

The Ryo. app interface is displayed against a dark purple background. At the top left is the 'Ryo.' logo. On the right are three icons: a menu (three horizontal lines), a moon (indicating night mode), and a user profile picture of a character wearing a hat and glasses. The main screen is divided into several sections:

- Portfolio:** Shows six coin pairs with their current value and percentage change. The coins are labeled R, B, T, X, T, and U.
- Trading view:** A line chart for the RYO/ETH pair from April 01, 2020, to April 01, 2020. It includes a legend for 'Percent by Total Value (All Portfolios)' (purple) and 'Percent of All Users Holding this Coin' (dark purple). Below the chart are price and volume charts for RYO, ETH, and USDT over 1H and 7 Days.
- Limit Orders:** A section for placing limit orders for RYO and ETH. It includes a 'Connect Wallet' button and a bar chart showing gas usage.
- Community:** A list of social groups: #DOGECOIN, #SHIBAINU, #BITCOIN, and #ETHEREUM, each with a progress bar indicating activity.
- Date history:** A table showing transaction details for various users on April 01, 2023.

Profile

The image shows a mobile application's profile screen. At the top, the name "Ryo." is displayed in a white font on a dark purple header. To the right of the name is a search bar containing the text "Search only Ryoshi" and a magnifying glass icon. Further to the right are three icons: a menu (three horizontal lines), a moon (representing night mode), and a circular profile picture of a character wearing a yellow cap and 3D glasses.

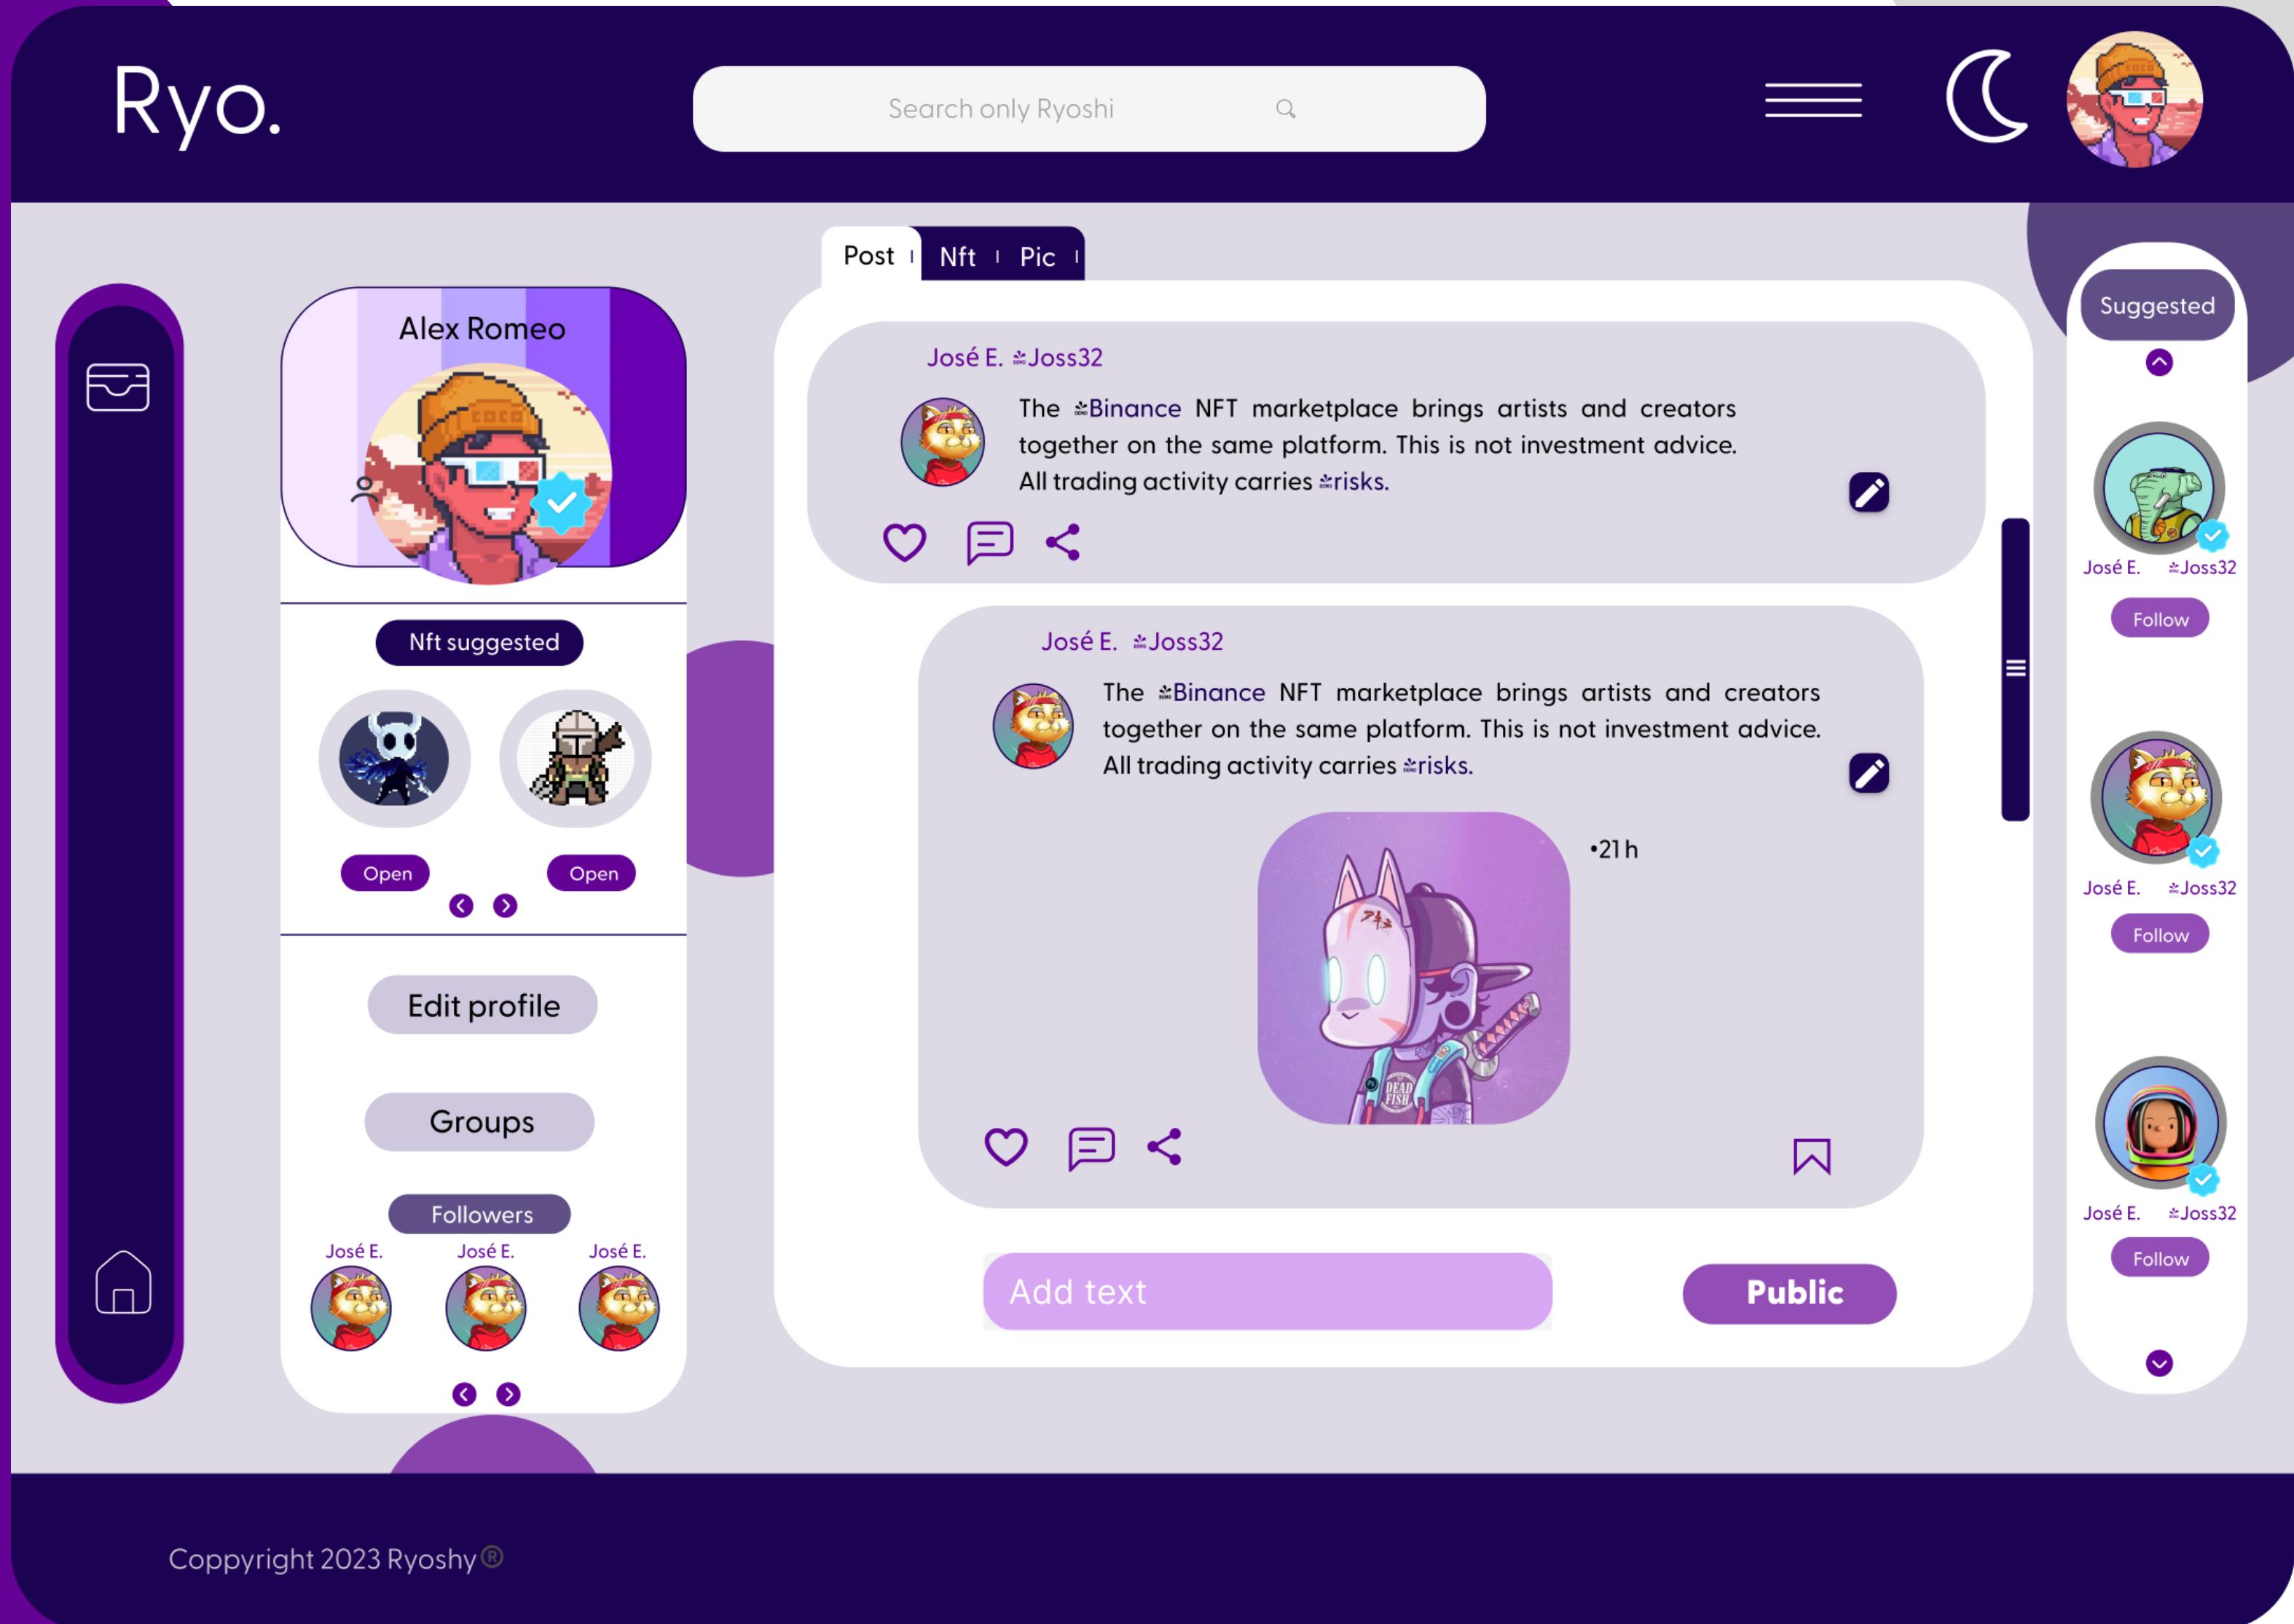

The main content area features a large circular profile picture of the same character. Above this picture is the text "Editar cover" (Edit cover) with a pencil icon. Below the profile picture are several input fields: "Name" (with a placeholder line), "Last Name" (with a placeholder line), "Country" (with a placeholder line), "Phone" (with a placeholder line), "Email" (with a placeholder line), and "Password" (with a placeholder line). At the bottom of this form is a purple "Save" button with a white checkmark icon.

To the left of the main profile area is a sidebar with a dark purple background. It contains a house icon and a list of options: "Edit profile" (with a person icon), "Groups" (with a people icon), "Privacy" (with a lock icon), "Account settings" (with a gear icon), "Security" (with a shield icon), and "Verified" (with a checkmark icon). A progress bar at the bottom of the sidebar indicates "70%".

At the very bottom of the screen, the text "Copyright 2023 Ryoshy®" is visible.
